

INNOVATIVE 384 well plate containing BPLPM™ technology

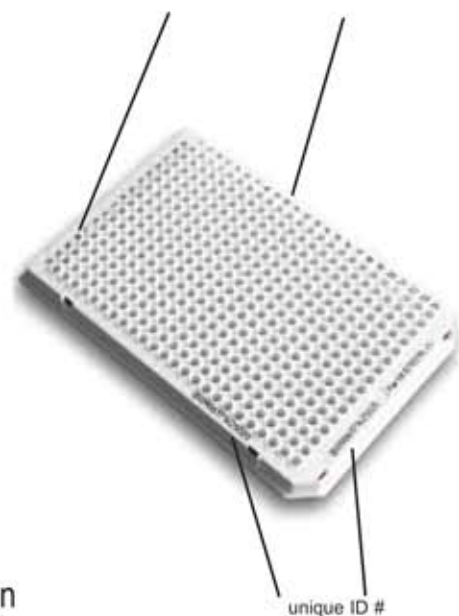

384 well (q)PCR plate Unique marked fits Roche 480, ABI and Bio-Rad (q)PCR cyclers

For Diagnostic & Clinical procedures

excellent performance and handling

- Perfect fit to ALL PCR & qPCR cyclers with 384 well format (see table next page)
- Fits Roche LC480, ABI 9700, 7900HT, Eppendorf, Biometra and other Cyclers
- Unique and individual in mould marked LIMS ID#
- Designed to perform qPCR and PCR reactions
- Included BIOplastics micro particles BPLPM technology
- Low evaporation, very robust, due to clever design
- ID in mould labelled (A-P)(1-24)
- Extreme Uniform wells lead to reproducible results
- Robotic friendly, easy stackable, flat and high S/N Ratio

permanent "in product" lasermarked (A-P, 1-24)

384 well Lasermark-coded Skirted Thin-wall (q)PCR Plates for Roche, ABI and others

384 Lasermark-coded Skirted Thin-wall (q) PCR Plates are permanent "in product" marked (A-P, 1-24) and each plate is unique coded. Contains BIOplastics BPLPM particle technology. The full-skirted 384-well EU plate is fully optimized for robotic applications utilized for high-throughput, low-volume processing. Can be used in many 384-well block regular and Real-Time thermal cyclers.

Roche LC 480

Orderno	Description	Package Size	Price
---------	-------------	--------------	-------

B71519L	Lasermark-coded Skirted Thin-wall, Roche 480 Type, white	box of 40 plates (5 bags of 8 plates)	
B71515L	Lasermark-coded Skirted Thin-wall, Roche 480 Type, Natural frosted	box of 40 plates (5 bags of 8 plates)	

Applied Biosystems, Bio-Rad, Eppendorf, Biometra and others

Orderno	Description	Package Size	Price
---------	-------------	--------------	-------

B70515L	Lasermark-coded Skirted Thin-wall, Regular and ABI, Natural frosted	box of 40 plates (5 bags of 8 plates)	
B70519L	Lasermark-coded Skirted Thin-wall, Regular and ABI, white	box of 40 plates (5 bags of 8 plates)	

Opti-Seal Optical Disposable Adhesive

Orderno	Description	Package Size	Price
---------	-------------	--------------	-------

157300	Opti-Seal Optical Disposable Adhesive	bag of 100 sheets	
--------	---------------------------------------	-------------------	--
